Property Description

This solidly built house, constructed in 1998, has been meticulously maintained, ensuring it remains in excellent condition and defies its age. Location: The property is ideally situated near Atenas, with easy access to Grecia, San Ramón, and the international airport. Its prime location offers both convenience and a serene environment. Features: Breathtaking Views: The property boasts stunning views of the volcanic mountain range. An elevated two-story structure separate from the main house provides an excellent vantage point on the upper level, with a laundry room below. Spacious Interior: The house includes three bedrooms, an office, two bathrooms, and a large open-plan kitchen, dining, and living area. Additionally, there is a utility room that can be used as a pantry. Generous Outdoor Space: The flat 1,500m² (16,145 sq. ft.) plot is mostly covered in lush grass, offering ample space for a swimming pool or other outdoor projects.
