Property Description

Tinamaste Mountain Ocean View is a lot sitting on the edge of a mountain range that centuries ago was an ancient caldera. With this mystic background, the property gains an immersive appeal that's amplified by its stunning views. Overlooking the valley across an expansive forest and the San Juan de Dios mountains on the way to the ocean, Tinamaste Mountain Ocean View shines as an outstanding rental property or family home. The property sits equidistant from Tinamaste and Platanillo, on a calm road that's only used by residents. The Tuesday Farmers market is 5 minutes away, as are 4 supermarkets and several restaurants. A 15 minute drive gets you to the amazing beaches of Dominical. More area is available from the neighbor that connects to this property if a buyer is interested, so the possibilities are endless!
