Property Description

This gorgeous, 25 hectare finca is located just 20 minutes south of the bustling town of Tamarindo and about 20 minutes north of the town of Santa Cruz. It is a 10 minute drive to neighboring beaches. Some of the most beautiful white sand beaches in Guanacaste. The 4 bedroom home built on the property is 350 square meters and also has 2 smaller homes for farm workers as well as a 15 cabina hotel being built with plans to complete a restaurant and large swimming pool. This property has ocean views from the hilltops. There is also a teak-floored yoga studio. The microclimate on this property stays much cooler than Tamarindo and feels like you are at a much higher elevation comparable to San Carlos or Arenal. It is just 3 minutes from the main highway and is very private and secluded.
