## Property Description

Casa Boho has a minimalist design with clean, cool finishes and what do you get? Casa Boho! This new, 3 bedroom, 3 bathroom home has a modern but tropical feel with natural concrete floors and walls softened by the use of light-colored, varnished wood and black accents. The simplicity of the design and its elements convey a feeling of tranquility. The kitchen has gorgeous black granite countertops and a wonderful island with stools to perch on for a quick lunch before heading to Tamarindo Beach, just a few minutes away. Sharing the great room with the kitchen is the light-filled living area, where a window wall opens to a deck and outdoor dining area adjoining the pool. The pool is a turquoise jewel set in a carpet of green. So refreshing. There are 2 modern and clean bedrooms in the main house that have spacious bathrooms, all with custom Guanacaste hardwood integrated into the design. A third bedroom and bath is located just outside the main home.
