Property Description

Welcome home to one of the truest examples of a gorgeous ocean view home for sale in Costa Rica's South Pacific! Arrive to a two bedroom home in Ballena and be immediately captivated by the views from this one acre property. Witness the magnificence of the Three Sisters rock formations, the Ballena Rock and Caño Island in full view right from your doorstep! At present, a spacious two-bedroom home with two bathrooms sits on this luxury lot. The property comes with a new, well-sized pool and two viewing patios where you can enjoy some shade and capture different sides of the view. The lovely tropical home has two spacious bedrooms each with a full bathroom, a separate laundry room, and a newly renovated kitchen. The indoor spaces also include a rather large living room and a storage bodega. The property is entirely fenced in making this a perfect place for pet owners and families with a small child.
