Property Description

This large, immaculately prepared plantel straddles a ridge which juts away from the well-prepared public road – giving you the feeling that the lot hangs over the hills and forests hundreds of feet beneath your feet. To your left and right, two jungle covered valleys frame the view as they descend towards the lush greenery and, as your eyes glide upwards, the sweeping ocean panoramas come into focus...the horizon with its brilliant white clouds reflecting in the waters below, the wonderful red, orange and crimson sunsets, the famous Cano Island with her natural wonders and, closer to shore, the crashing Pacific surf and green hills conspire to provide a mesmerizing and ever-changing canvas. And behind you are majestic coastal mountains rising to heights of over 1,300 meters, or 4,300 feet. The mountains are completely covered by old growth jungles and often shrouded in mists, the upper slopes holding cloud forests that make for surreal vistas.
