Property Description

This mixed-use commercial/residential property is located on the road connecting Atenas and La Garita, just 2 kilometers from downtown Atenas. It is ideal for a professional project or simply as a residence. The property consists of three separately registered lots. A single-story house sits on one of the lots and consists of 3 bedrooms, two bathrooms, an office, a large kitchen/dining area, and a great living room. Additionally, there is a large covered outdoor terrace. The laundry room is separate. The kitchen was renovated in 2022. Outside, there are two small structures currently used for storage, as well as a carport. There is ample space on the property for additional construction, including a pool. The land is adorned with numerous plants, shrubs, and trees of various types. A major advantage of this property is the permit allowing for commercial activity, being situated on a main road, near a private school and an event center.
